

SHUBHAM DIXIT

Computer Operator and Technical Assistant

+91 9458549339 @ shubhamdixit2555@gmail.com https://shubhamdixit.netlify.app/
Karhal Road, Mainpuri, Uttar Pradesh (205001), India

SUMMARY

A proactive Computer Science student with a strong foundation in both software development and IT operations. Experienced in building user-friendly web interfaces with HTML, CSS, JavaScript, and React, and skilled in system troubleshooting and office tool management. Combines a passion for technology with practical abilities, including a typing speed of 65+ WPM, making me well-suited for roles in web development, IT support, and data management. Eager to apply my diverse technical skills to solve problems and contribute to a team's success.
